Dear Shareholder

## 2011 Annual General Meeting

I have pleasure in sending you the Notice of our Annual General Meeting ("AGM") for shareholders, which will be held at Wakefield House, Pipers Way, Swindon, Wiltshire SN3 1RF ("AGM Location") on Friday 14 January 2011 at 11.30am. ### Final dividend

Shareholders are being asked to approve a final dividend of 5p per share for the year ended 31 August 2010. If shareholders approve the recommended final dividend, this will be paid on 4 February 2011 to all shareholders who were on the register of members at close of business on 7 January 2011.

### Re-election of directors

In accordance with the new UK Corporate Governance Code (the "Code"), which replaces the existing Combined Code on Corporate Governance for accounting periods beginning on or after 29 June 2010, the Board has agreed that all directors will stand for re-election at the AGM. This is notwithstanding that the Company, which is a 'smaller company' for the purposes of the Code, is not formally required to re-elect all directors on an annual basis.

Consequently, Resolutions 6 to 10 will be proposed in order to require all of the directors to retire from office at the conclusion of the AGM and, being eligible, offer themselves for re-election. Anthony Cann is required to offer himself for re-election in accordance with the Company's Articles of Association. The other directors are voluntarily offering themselves for re-election from the conclusion of the AGM as a matter of best practice.

### Explanatory notes

Explanatory notes on the five items of special business to be considered at the AGM together with biographical details of all of the directors can be found on pages 7 to 9 of this document.

### SPECIAL BUSINESS

#### Resolution 13 – Authority to make political donations

Part 14 of the Companies Act 2006 ("CA 2006"), amongst other things, prohibits the Company and its subsidiaries from making political donations or from incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the Company's shareholders. Aggregate donations made by the Group of £5,000 or less in any 12 month period will not be caught.

**Neither the Company nor any of its subsidiaries has any intention of making any political donations or incurring any political expenditure.** However, the CA 2006 defines 'political party', 'political organisation', 'political donation' and 'political expenditure' widely. For example, bodies, such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting, may be caught.

Accordingly, the Company wishes to ensure that neither it nor its subsidiaries inadvertently commits any breaches of the CA 2006 through the undertaking of routine activities, which would not normally be considered to result in the making of political donations and political expenditure being incurred.

## Explanatory Notes continued

As permitted under the CA 2006, the resolution extends not only to the Company but also covers all companies which are subsidiaries of the Company at any time the authority is in place. The resolution reflects the three categories covered by the rules and authorises the Company and its subsidiaries to:

- (a) make political donations to political parties or independent election candidates not exceeding £50,000 in total;
- (b) make political donations to political organisations other than political parties not exceeding £50,000 in total; and
- (c) incur political expenditure not exceeding £50,000 in total,

in the period from the date of passing this resolution up to and including the conclusion of the next Annual General Meeting or, if earlier, 29 February 2012.

As required by the CA 2006, the resolution is in general terms and does not purport to authorise particular donations.

### Resolution 14 – Authority to allot shares

At the Annual General Meeting held on 15 January 2010, the shareholders authorised the directors under Section 551 of the CA 2006 to allot equity securities. This authority is due to expire at the end of the AGM and it is proposed that it be renewed. Paragraph (a)(i) of Resolution 14 would allow the directors to allot shares up to a maximum nominal amount of £3,056,257, representing approximately one third of the Company's issued share capital, calculated as at 1 November 2010 (being the latest practicable date prior to publication of this Notice). In accordance with the guidelines issued by the Association of British Insurers ("ABI"), paragraph (a)(ii) of Resolution 14 would allow the directors to allot, including the shares referred to in paragraph (a)(i), further of the Company's shares in connection with a pre-emptive offer by way of a rights issue up to a maximum nominal amount of £6,112,515, representing approximately two thirds of the Company's issued share capital, calculated as at 1 November 2010 (being the latest practicable date prior to publication of this Notice).

The authority would expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, on 29 February 2012. Although the directors have no present intention of exercising this authority, it is considered prudent to maintain the flexibility it provides. If the directors do exercise the authority, they intend to follow best practice as regards its use (including as regards the directors standing for re-election in certain cases), as recommended by the ABI.

As at the date of this Notice, the Company does not hold any shares in the capital of the Company in treasury.

### Resolution 15 – Disapplication of pre-emption rights

Also at the Annual General Meeting held on 15 January 2010, a special resolution was passed under Sections 570 and 573 of the CA 2006 empowering the directors to allot equity securities for cash without first being required to offer such shares to existing shareholders. This authority is due to expire at the end of the AGM and it is proposed that it be renewed.

If approved, this resolution would authorise the directors to issue shares in connection with a rights issue and otherwise to issue shares for cash up to a maximum nominal amount of £458,438, which is equal to approximately 5% of the Company's issued ordinary share capital as at 1 November 2010 (being the latest practicable date prior to publication of this Notice).

The authority would expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, on 29 February 2012. The directors do not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non-pre-emptive basis in any rolling three-year period without prior consultation with shareholders and the Investment Committees of the ABI and National Association of Pension Funds.

### Resolution 16 – Market purchases of ordinary shares

With the authority of shareholders in general meeting, the Company may purchase its own ordinary shares in the market subject to the provisions of the CA 2006. The directors will only exercise the authority when satisfied that it is in the best interests of the Company to do so and when it would result in an increase in earnings per share.

The proposed authority would be limited to purchases of up to 18,337,545 ordinary shares, representing approximately 10% of the issued ordinary shares in the Company as at 1 November 2010 (being the latest practicable date prior to publication of this Notice). This resolution specifies the minimum and maximum prices at which they may be bought. As at 1 November 2010, there were outstanding 10,927,656 options to subscribe for ordinary shares, representing 5.96% of the Company's issued ordinary share capital. If the authority was exercised in full, the options would represent 6.62% of the Company's issued ordinary share capital.

Under Part 18, Chapter 6 of the CA 2006, the Company is allowed to hold its own shares in treasury following a buy back as an alternative to cancelling them. Shares held in treasury may be subsequently sold for cash, but all rights attaching to them, including voting rights and the right to receive dividends, are suspended while they are held in treasury. It is the Company's intention to cancel any shares it buys back rather than hold them in treasury.

The authority would expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, on 29 February 2012.

### Resolution 17 – Notice of General Meetings

This resolution is proposed to allow the Company to continue to call general meetings other than Annual General Meetings on 14 clear days' notice pursuant to the Companies (Shareholders' Rights) Regulations 2009 (the "Regulations"). The Regulations increase the notice period required for general meetings of the Company to 21 clear days unless shareholders approve a shorter notice period (Annual General Meetings will continue to be held on at least 21 clear days' notice).

The Company would like to continue to have the flexibility of calling general meetings other than Annual General Meetings on 14 clear days' notice where it may be expedient to do so and this resolution seeks such approval. The approval would be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

The Regulations provide that in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.

### IMPORTANT NOTES FOR SHAREHOLDERS

1. Shareholders are entitled to appoint one or more proxies (who need not be shareholders) to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting provided that if more than one proxy is appointed, each proxy is appointed to exercise the rights attached to a different share or shares.
2. Shareholders should use the enclosed Proxy Form to make the appointment referred to in Note 1 above. Before completing the Proxy Form shareholders should read the guidance notes on the Form.
3. As an alternative to completing and returning the printed Proxy Form, you may submit your proxy appointment electronically by accessing the website [www.sharevote.co.uk](http://www.sharevote.co.uk), where full details of the procedure are given. You will need to have your Proxy Form to hand when you log on as it contains information which will be required to validate your submission. For further information, see the guidance notes on the Proxy Form.
4. To be valid any Proxy Form and power of attorney or other authority, if any, under which it is signed or a notarially certified or office copy of such power or authority or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Equiniti or at the electronic address provided on the Proxy Form, in each case no later than 11.30am on 12 January 2011. Completion and return of a Proxy Form, or electronic proxy appointment, or any CREST Proxy Instruction (as described in Note 5) will not prevent you attending and voting at the meeting, if you wish. A member must inform the Company in writing of any termination of the authority of a proxy.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
6. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via [www.euroclear.com/CREST](http://www.euroclear.com/CREST)). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti (CREST participant ID RA19) by 11.30am on 12 January 2011. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
7. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

## Explanatory Notes continued

9. Any member with more than one shareholding registered in his/her name should, to the extent that such member has elected to receive copies of relevant documentation, receive only one copy of the Annual Report and one Proxy Form. Changes to the register of members after 6.00pm on 12 January 2011 (or 6.00pm on the day that is two days before any adjourned meeting) shall be disregarded in determining the right of any person to attend and vote at the AGM.
11. Any person to whom this Notice is sent who is a person nominated under Section 146 of CA 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
12. In the absence of an agreement described in Note 11 above, the statement of the rights of shareholders in relation to the appointment of proxies in Notes 1 to 3 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
13. Nominated persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investments in the Company.
14. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
