Final dividend

Shareholders are being asked to approve a final dividend of 6.3p per share for the year ended 31 August 2013. If shareholders approve the recommended final dividend, this will be paid on 7 February 2014 to all shareholders who were on the register of members at close of business on 10 January 2014.

Re-election of directors

Since 2011, it has been the Board's policy that all directors stand for re-election at the AGM, which accords with the UK Corporate Governance Code (notwithstanding that the Company, which is a 'smaller company' for the purposes of the Code, is not formally required to re-elect all directors on an annual basis).

Consequently, Resolutions 4 to 10 will be proposed in order to require all of the directors to retire from office at the conclusion of the AGM and, being eligible, offer themselves for re-election.

Explanatory Notes

Biographical details of all of the directors together with explanatory notes on the six items of special business to be considered at the AGM are included in the Explanatory Notes on pages 6 to 9 of this document.

Special business

Resolution 13 – Authority to make political donations

Part 14 of the Companies Act 2006 ('CA 2006'), amongst other things, prohibits the Company and its subsidiaries from making political donations or from incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the Company's shareholders. Aggregate donations made by the Group of £5,000 or less in any 12 month period will not be caught.

Neither the Company nor any of its subsidiaries has any intention of making any political donations or incurring any political expenditure.

However, the CA 2006 defines 'political party', 'political organisation', 'political donation' and 'political expenditure' widely. For example, bodies, such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting, may be caught.

Accordingly, the Company wishes to ensure that neither it nor its subsidiaries inadvertently commits any breaches of the CA 2006 through the undertaking of routine activities, which would not normally be considered to result in the making of political donations and political expenditure being incurred.

As permitted under the CA 2006, the resolution extends not only to the Company but also covers all companies which are subsidiaries of the Company at any time the authority is in place. The resolution reflects the three categories covered by the rules and authorises the Company and its subsidiaries to:

- (a) make political donations to political parties or independent election candidates not exceeding £50,000 in total;
- (b) make political donations to political organisations other than political parties not exceeding £50,000 in total; and
- (c) incur political expenditure not exceeding £50,000 in total,

in the period from the date of passing this resolution up to and including the conclusion of the next Annual General Meeting or, if earlier, 28 February 2015.

As required by the CA 2006, the resolution is in general terms and does not purport to authorise particular donations.

Resolution 14 – Smiths News LTIP

During 2013, the Company's Remuneration Committee reviewed the appropriateness of the overall remuneration packages, and their constituent elements, currently awarded to our three executive directors. Following consultation with our major shareholders and investor representative bodies, we introduced a number of different proposals, as described in our Remuneration Report. One part of the review was best practice features across our share plans. Clawback provisions are already in place for our LTIP. We are also proposing to provide for dividend equivalents under the LTIP (as set out in Resolution 14), to further strengthen alignment of the package with shareholders' interests. For the avoidance of doubt, the operation of dividend equivalents will be in line with best practice. Namely, that dividends during the performance period will be paid retrospectively at the end of the performance period, but only on the number of shares that ultimately vest. No dividends will accrue on any part of an award that lapses.

Resolution 15 – Authority to allot shares

At the Annual General Meeting held on 24 January 2013, the shareholders authorised the directors, under Section 551 of the CA 2006 to allot shares in the Company or grant rights to subscribe for, or convert any securities into, shares in the Company. This authority is due to expire at the end of the AGM and it is proposed that it be renewed. Paragraph (a)(i) of Resolution 15 would allow the directors to allot shares up to a maximum nominal amount of £3,073,799, representing approximately one third of the Company's issued share capital, calculated as at 14 November 2013 (being the latest practicable date prior to publication of this Notice). In accordance with the guidelines issued by the Association of British Insurers ('ABI'), paragraph (a)(ii) of Resolution 15 would allow the directors to allot, including the shares referred to in paragraph (a)(i), further of the Company's shares in connection with a pre-emptive offer by way of a rights issue up to a maximum nominal amount of £6,147,598, representing approximately two thirds of the Company's issued share capital, calculated as at 14 November 2013 (being the latest practicable date prior to publication of this Notice).

The authority would expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at the close of business on 28 February 2015. The directors have no present intention of exercising this authority, except under paragraph (a)(i), to satisfy options under the Company's Sharesave Scheme, however, it is considered prudent to maintain the flexibility it provides. If the directors do exercise the authority given under paragraph (a)(ii), they intend to follow ABI recommendations that all of the directors will stand for re-election at the following Annual General Meeting.

As at the date of this Notice, the Company does not hold any shares in the capital of the Company in treasury.

Resolution 16 – Disapplication of pre-emption rights

Also at the Annual General Meeting held on 24 January 2013, a special resolution was passed under Sections 570 and 573 of the CA 2006 empowering the directors to allot equity securities for cash without first being required to offer such shares to existing shareholders. This authority is due to expire at the end of the AGM and it is proposed that it be renewed.

If approved, this resolution would authorise the directors to issue shares in connection with a rights issue and otherwise to issue shares for cash up to a maximum nominal amount of £461,069, which is equal to approximately 5% of the Company's issued ordinary share capital as at 14 November 2013 (being the latest practicable date prior to publication of this Notice).

The authority would expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at the close of business on 28 February 2015. The directors do not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non-pre-emptive basis in any rolling three-year period without prior consultation with shareholders and the Investment Committees of the ABI and National Association of Pension Funds.

Resolution 17 – Market purchases of ordinary shares

With the authority of shareholders in general meeting, the Company may purchase its own ordinary shares in the market subject to the provisions of the CA 2006. The directors will only exercise the authority when satisfied that it is in the best interests of the Company to do so and when it would result in an increase in earnings per share.

The proposed authority would be limited to purchases of up to 18,442,799 ordinary shares, representing approximately 10% of the issued ordinary shares in the Company as at 14 November 2013 (being the latest practicable date prior to publication of this Notice). This resolution specifies that the minimum price which may be paid for each ordinary share is 5p (exclusive of all expenses) and the maximum price which may be paid is the higher of 105% of the average of the middle market quotations for an ordinary share as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the ordinary share is purchased and the price stipulated by Article 5(1) of the Buy-back and Stabilisation Regulation 2003 (exclusive of all expenses). As at 14 November 2013, there were outstanding 9,789,333 options to subscribe for ordinary shares, representing 5.31% of the Company's issued ordinary share capital. If the Company's authority to purchase shares (existing and being sought) was exercised in full, the options would represent 6.63% of the Company's issued ordinary share capital.

Under Part 18, Chapter 6 of the CA 2006, the Company is allowed to hold its own shares in treasury following a buy back as an alternative to cancelling them. Shares held in treasury may be subsequently sold for cash, but all rights attaching to them, including voting rights and the right to receive dividends, are suspended while they are held in treasury. It is the Company's intention to cancel any shares it buys back rather than hold them in treasury.

The authority would expire at the conclusion of the next Annual General Meeting of the Company after the passing of this resolution or, if earlier, at the close of business on 28 February 2015.

Explanatory Notes continued

Resolution 18 – Notice of General Meetings

The notice period required by the CA 2006 for general meetings of the Company is 21 days, unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (AGMs must always be held on at least 21 clear days' notice).

At the Annual General Meeting held on 24 January 2013, shareholders authorised the calling of general meetings other than an AGM on not less than 14 clear days' notice, and it is proposed that this authority be renewed. The authority granted by Resolution 18, if passed, will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The flexibility offered by Resolution 18 will be used where, taking into account the circumstances, the directors consider it appropriate in relation to the business of the meeting and in the interests of the Company and shareholders as a whole.

Important notes for shareholders

1. Shareholders are entitled to appoint one or more proxies (who need not be shareholders) to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting provided that if more than one proxy is appointed, each proxy is appointed to exercise the rights attached to a different share or shares.
2. Shareholders should use the enclosed Proxy Form to make the appointment referred to in Note 1 above. Before completing the Proxy Form shareholders should read the guidance notes on the Form.
3. As an alternative to completing and returning the printed Proxy Form, you may submit your proxy appointment electronically by accessing the website www.sharevote.co.uk, where full details of the procedure are given. You will need to have your Proxy Form to hand when you log on as it contains information which will be required to validate your submission. For further information, see the guidance notes on the Proxy Form.

4. To be valid any Proxy Form and power of attorney or other authority, if any, under which it is signed or a notarially certified or office copy of such power or authority or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at Equiniti or at the electronic address provided on the Proxy Form, in each case no later than 11.30am on 21 January 2014. Completion and return of a Proxy Form, or electronic proxy appointment, or any CREST Proxy Instruction (as described in Note 5) will not prevent you attending and voting at the meeting, if you wish. A member must inform the Company in writing of any termination of the authority of a proxy.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
6. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti (CREST participant ID RA19) by 11.30am on 21 January 2014. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
7. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
8. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
9. Any member with more than one shareholding registered in his/her name should, to the extent that such member has elected to receive copies of relevant documentation, receive only one copy of the Annual Report and one Proxy Form. The Proxy Form will be valid in respect of all his/her holdings. If you do not have a Proxy Form and believe that you should have one, or if you require additional forms, please contact Equiniti on 0871 384 2771* or from outside the UK +44 (0) 121 415 7565.
10. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the CA 2006 and the Articles of Association of the Company, the Company specifies that only those shareholders registered in the register of members of the Company as at 6.00pm on 21 January 2014 (or 6.00pm on the day that is two days before any adjourned meeting) shall be entitled to attend (either in person or by proxy) and vote at the meeting in respect of the number of shares registered in their names at that time. Changes to the register of members after 6.00pm on 21 January 2014 (or

- 6.00pm on the day that is two days before any adjourned meeting) shall be disregarded in determining the right of any person to attend and vote at the AGM.
11. Any person to whom this Notice is sent who is a person nominated under Section 146 of CA 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
12. In the absence of an agreement described in Note 11 above, the statement of the rights of shareholders in relation to the appointment of proxies in Notes 1 to 3 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
13. Nominated persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investments in the Company.
14. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
15. Copies of directors' service contracts and non-executive directors' letters of appointment with the Company and any of its subsidiaries are available for inspection at the registered office of the Company during normal business hours on any weekday (except Saturdays, Sundays and public holidays) and at the AGM Location on 23 January 2014 from 11.00am until the conclusion of the AGM.
16. 17. Under Section 527 of CA 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of CA 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of CA 2006. Where the Company is required to place a statement on a website under Section 527 of the CA 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of CA 2006 to publish on a website.

20. Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
21. A copy of this Notice, and other information required by Section 311A of the CA 2006, can be found on the Company's website www.smithsnews.co.uk.

A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with any enactment or the Company's constitution or otherwise), (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authenticated by the person or persons making it, must be received by the Company not later than 10 December 2013, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
